Background/Supporting Information

Each year since 1982 METP has selected a "Youth Vendor of the Year". HIRED has been selected for the Program Year 2002. Eight METP Youth Vendors provide year round intensive case management services to at risk Minneapolis youth in need of education, work readiness and employment services. Vendors provide services as indicated by their participant plan and work statement and are then assessed quarterly based on their performance. HIRED had outstanding performance in these areas, attaining a letter grade of "A" all 4 quarters during PY'02.
